SUSAN —

WE HAD RATHER A BAD NIGHT.
BILL WILL BE WORKING ON CAESAR SO WE CAN REDO THE MONDAY JOB TONIGHT.

AFTER HE FIXES THE PICTURE SHAKE, HUMBUG, ETC.
BETTER HAVE HIM RE-SET-UP THE RIGHTHAND ART INPUT CAMERA.
(WE SWAPPED YOKE DRIVER BOARDS WITH THE SCAN CONVERTER CAMERA'S FOUND IT DIDN'T CURE THE SHAKES AND SWAPPED BACK -- BUT NOT BEFORE I'D TOOLED WITH THE SKEW & POSITION CONTROLS ... SO THAT CAMERA IS NOW IN A WORLD OF ITS OWN]

... OR HOW TO LOOK LIKE AN INCOMPETENT STUMBLEBUM FOR YOUR CLIENT IN ONE EXCRUCIATING STEP...

HOPE YOUR DAY'S BETTER.
